\*Eligibles = Medicaid eligible & SMI

\*Enrolled = Medicaid eligible, SMI, & health home enrolled

\*Opt Out = Medicaid eligible, SMI, but decline to participate in health home services

\*Monthly Average is an average based upon August 2014 through current month data.

\*Beneficiaries must have a clinical Severe Mental Illness (SMI) diagnosis in order to qualify for health homes.

\*Enrollment each month is for Medicaid members with a KanCare & health home assignment in that current month.
